

Helpful Hostess Tips

How to have a “Successful” tasting party!

STEP 1: **Invite Your Guests**

2 weeks prior to Party

Mail Fanucchi Oil party invitation postcards, telephone and email guests. Invite double the amount of guests you would like to attend. Encourage your guests to bring a friend! (Friends, family, neighbors, co-workers, church, and school)

STEP 2: **Follow up**

1 week & 48 hrs prior to Party

Telephone your guests. Remind them they can bring a friend! Pre-Orders are accepted for guests unable to attend your party and are included in your “Total” Party Sales. See Host/Hostess Rewards for details.

STEP 3: **Prepare for the Party**

Day of the Party

Fanucchi Oils Consultant arrives 1 hour prior to party time for set up; please have designated area ready for the consultant. Plan ahead ~ prepare appetizers* prior to guests’ arrival so you can relax and enjoy your party!

Simple Appetizers

Antipasti ~ Salami, Prosciutto, Coppa
Caprese Salad ~ grape tomato, fresh mozzarella & basil
Formaggio ~ Goat Cheese, Gorgonzola
Pound Cake accompanied with fresh fruit

STEP 4: **Let the Party Begin!**

Take time to visit with your guests and thank them for attending. Enjoy the Tasting Bar! And remember, you will earn “**FREE**” Products based on your party sales. Have Fun!

**Host/Hostess provides and prepares appetizers of choice; items above are suggestions. Fanucchi Oils provides tasting bar product samples—see host/ hostess cover letter for details.*
